

COMPATIBILITY PROFILE SUSAN JEWEL AND JEAMS SUSE

JEAMS'S INFLUENCE ON SUSAN'S PERSONALITY, EGO AND SELF-EXPRESSION

*Susan's Sun Trine Jeams's Moon

This, Susan, is one of the best possible aspects for romance and marriage. It is an excellent indicator of sustained friendship and mutual romantic commitment; you understand each other's feelings and agree on most issues. There will be times, Jeams, may truly believe that you are the closest that he will ever come to the perfect partner. You will particularly appreciate Jeams's sensitive nature and the domestic comfort, companionship and the practical support that he provides. Likewise, Jeams feels, warm, protected and secure when in your presence. However, with this aspect it is not possible to define any particular or peculiar qualities of the relationship, positive or negative. Though it does promises, come what may, there will be an essential harmony between the two of you.

*Susan's Sun Conjunct Jeams's Venus

This aspect, Susan, is a classic indication of a love relationship. It suggests strong mutual attraction and deep friendship that will develop naturally. There is also a strong sexual attraction. It is likely that you have a deep intuitive bond with Jeams. You certainly feel relaxed and uninhibited in his company, finding him enjoyable and lots of fun. Jeams has a stimulating effect on your ego because he genuinely admires your strong personality and likes the way that you express yourself generally. You feel safe to "show off" a little when in his company as he usually finds this amusing; it often leads to a bit of harmless fun.

You probably have the same values; enjoy the same recreational interests and have many other social and cultural interests in common. There is a mutual love of luxury, socialising, music, art and entertainment. Because this aspect indicates a genuine love relationship, marriage is a strong possibility.

*Susan's Sun Trine Jeams's N.Node

This planetary alignment, Susan, is favourable for gain, popularity and publicity. It suggests that your association with Jeams will bring some kind of mutual social or financial success. Jeams is sociable and loves organizing events and directing people, while you are able to act out and express whatever is developing.

JEAMS'S INFLUENCE ON SUSAN'S FEELINGS AND DOMESTIC CONCERNS

*Susan's Moon Square Jeams's Sun

This aspect, Susan, is regarded as difficult for close relationships because emotional and temperamental differences are highlighted. Jeams may come to view you as over-emotional, weak, moody, changeable and lacking drive, whereas you feel that Jeams is overbearing, arrogant and devoid of any sensitive feelings. You must be cautious of not over- reacting emotionally to Jeams's naturally assertive nature. Jeams finds it hard to appreciate where you are coming from emotionally. Consequently, he is often offended and confused, and he dominates you without even knowing it. Jeams feels, at times, that your

background and personal habits do not fit in with his life-style. With time, you both gain a great reward - increased awareness of what and who you are, and of life itself. However, long term Harmony in your relationship may be difficult to sustain without other compensating factors.

***Susan's Moon Trine Jeams's Mars**

This aspect, Susan, helps to energise and emotionally stimulate your relationship with Jeams. Strong sexual attraction should mature into a rewarding and mutually fulfilling sex-life. Your high level of compatibility suggests that you get on well together in the home and co-operate effectively in any domestic, social, sport and financial activities.

***Susan's Moon Square Jeams's Uranus**

This aspect in a relationship, Susan, is like heating the bathroom with an exposed electrical appliance - a prolonged shower or soak in the tub will generate sufficient moisture in the room to short-circuit the appliance, thus blowing a fuse. This relationship is, at best, a valuable learning experience: at worst - the men in white coats are coming, are coming... and probably for you, Susan! Needless to say, this is an unstable and unpredictable association and unless there are many compensatory indicators, a prolonged close relationship is not desirable. There may be metaphysical, occult or psychic overtones.

***Susan's Moon Trine Jeams's N.Node**

An emotionally satisfying social life is suggested by this aspect, Susan. It is probable that your home is used as the focus of all activity.

JEAMS'S INFLUENCE ON SUSAN'S MIND AND INTELLECTUAL ISSUES

***Susan's Mercury Trine Jeams's Moon**

Emotional and intellectual compatibility are highlighted by this combination of planets. Jeams finds it easy to discuss emotional and domestic problems with you because he regards you as objective, sympathetic and rational. You, on the other hand, enjoy communicating ideas and intellectual concepts with Jeams finding him responsive and supportive. It is probable that you indulge in educational or intellectual pastimes in the home.

***Susan's Mercury Conjunct Jeams's Venus**

This aspect, Susan, is a great help in your relationship because it enables both yourself and Jeams to express affection for each other without any emotional or mental inhibitions. It also helps to promote harmony and general accord between you because any disagreements are soon rationalised and sorted out. Jeams adds a cultural, refining or aesthetic quality to the relationship and he probably views you as witty, amusing and diplomatic. This high level of sympathetic understanding is an excellent pointer to a lasting friendship.

***Susan's Mercury Trine Jeams's N.Node**

This contact, Susan, suggests that your intellectual ideas and Jeams's social contacts will bring mutual social or financial benefits.

*Susan's Mercury Square Jeams's Asc

A general lack of sympathy, co-operation and understanding is indicated by this aspect. You may come to view Jeams as unresponsive, evasive and selfish. Conversely, he feels that your mental qualities do not fit well with your self-image, or that your views may, in some way, inhibit his true self-expression.

JEAMS'S INFLUENCE ON SUSAN'S ROMANTIC, ARTISTIC AND SOCIAL CONCERNS

*Susan's Venus Conjunct Jeams's Mercury

This aspect, Susan, is a great help in your relationship because it enables both yourself and Jeams to express affection for each other without any emotional or mental inhibitions. It also helps to promote harmony and general accord between you because any disagreements are soon rationalised and sorted out. You add a cultural, refining or aesthetic quality to the relationship and Jeams's witty, amusing and diplomatic personality keeps life interesting. This high level of sympathetic understanding is an excellent pointer to a lasting friendship.

*Susan's Venus Trine Jeams's Jupiter

This is a truly fortunate aspect, Susan, because it is one of the strongest astrological indicators of a happy, prosperous and compatible relationship. Deep friendship, mutual sympathy, kindness, tenderness, genuine affection, generosity, cheerfulness, optimism and domestic security are just some of the ingredients. You probably share the same religious, philosophical and social values. The evidence points to a refined, harmonious and socially cultured partnership. Luck and general good fortune can be expected.

*Susan's Venus Trine Jeams's Neptune

This combination of planets, Susan, indicates a strong emotional bond between yourself and Jeams and it is likely that you experience intuitive, psychic or telepathic rapport. This contact elevates romance and friendship to a higher and more refined level of expression - you may both feel that you have found your ideal partner or true soul mate. Your relationship contains true affection, tenderness, sympathetic understanding, undiluted love, harmony and deep emotional empathy. Mutual interests may include art, music, social welfare, religion, spiritual study or mysticism.

JEAMS'S INFLUENCE ON SUSAN'S SEXUALITY, PERSONAL DESIRES AND CAPACITY FOR ACTION

*Susan's Mars Trine Jeams's Moon

This aspect, Susan, helps to energise and emotionally stimulate your relationship - strong sexual attraction should mature into a rewarding and mutually fulfilling sex-life. Your high level of compatibility suggests that you get on well together in the home. You certainly make a good team and co-operate effectively in any domestic, social, sports and financial activities.

*Susan's Mars Conjunct Jeams's Venus

Astrologically, Susan, this pairing of planets is regarded as the strongest single

indicator of sexual attraction. Therefore, your love-life with Jeams should be passionate, uninhibited and deeply satisfying. If other supporting aspects are present then marriage is a strong possibility.

*Susan's Mars Square Jeams's Jupiter

Differences in social, religious or philosophical backgrounds may create major difficulties in your relationship. You may come to regard Jeams as self-righteous, lazy and hypocritical, whereas he may view you as impulsive, aggressive, uncultured, immoral and lacking in social refinement. A general lack of mutual co-operation will make domestic life difficult. However, in a mature relationship, much energy is added to the relationship, and if you can accept each other's shortcomings, you will enjoy each other's company and work well together as a team.

*Susan's Mars Square Jeams's Pluto

This is a difficult aspect, Susan, because it indicates an intense and explosive relationship. It may even point to an illegal or otherwise dangerous association. You may have mutual enemies or some involvement with the police, underworld connections or subversive groups. It is not a good aspect for close romantic relationships because any attraction is probably linked to sexual desire rather than genuine love. It is possible that Jeams will attempt to dominate, coerce or reform you in some way and this could lead to resentment and violent confrontation. Conflicts of ego are certain to occur because you tend to challenge each other in open warfare and you can both indulge in blatant physical or psychological harassment. Dangerous or unwise occult practices may be a feature.

JEAMS'S INFLUENCE ON SUSAN'S SOCIAL, CULTURAL, RELIGIOUS AND EDUCATIONAL VALUES

*Susan's Jupiter Sextile Jeams's Sun

This aspect, Susan, is one of the best possible indicators of a long-term relationship. It denotes happiness, a sense of expansion and a harmonious union based on the same ethical and cultural values. It is one of the few aspects that are totally positive, and it will be a great help in overcoming any friction and disagreement indicated elsewhere in the chart. You trust each other - for very good reasons, as you are both kind, generous and helpful, not only to each other but to other people generally. You will have a positive and expansive effect on Jeams's personality - your very presence gives him a feeling of well-being and a sense of contentment. Jeams's outlook will be more optimistic and fortunate, because you help you to expand his consciousness and broaden the scope of his life generally. Jeams, on the other hand, stimulates and bolsters your self-confidence.

You co-operate well with each other and this could lead to increased prosperity and general good fortune. However, restraint may be needed at times, not to overdo, overspend or overindulge. You will have a mutual interest in philosophical, religious and other profound subjects; supporting each other's efforts at self-improvement and cultural or spiritual growth. In due course, you will come to realise that together you are better and stronger than each one separately. You should do well in together in business, especial in the areas of promotion and public relations - you are mutually supportive and encouraging. Travel may be added feature.

*Susan's Jupiter Square Jeams's Saturn

This is a combination of planets that will create difficulties in the best of relationships. It indicates that beyond the romantic level, Susan, your relationship will encounter problems with the more practical and serious affairs of life, such as social, religious, ethical, financial, political, educational, administrative, professional and domestic issues. There is a definite 'chalk and cheese situation' regarding these concerns. Co-operation will be difficult because you are out of step with each other; your activities are not synchronized, and you will tend to hold each other back when you should push forward and vice versa. You will forever question each other's motives, judgments and morals, and disagree on the correct way to handle situations. You have a liberal, loose, fancy-free, self-indulgent and flamboyant attitude to life; whereas Jeams is very conservative, structured and more formal; preferring discipline and discretion. You are the optimistic partner while Jeams takes the pessimistic view. You may want to spend, while Jeams wants to control the budget. Regarding all these issues, you come to see Jeams as selfish, materialistic, cold, unsympathetic, hard, negative and selfish; over concerned with worldly status, too reliant upon rules, and something of a stick-in-the-mud. Whereas Jeams views you as lacking ambition, impractical, indifferent, self-indulgent, weak and soft; showing poor judgement and bereft of common sense.

On a more positive note: Although you do hold opposite views, these are, in fact, complementary and could work for the good. It might well be that you need the restraint, discipline and practicality of Jeams; whereas he requires your free flowing optimistic faith in life in order to reduce his inherent negativity, fear and brooding; thus keeping each other in check and balance while having something to offer one another. In the best possible scenario, you will make a conscious choice to get the best of each other and discard whatever beliefs or conditions are negative and restrictive to your relationship.

*Susan's Jupiter Sextile Jeams's Uranus

This is a stimulating aspect for your relationship, Susan, because it adds qualities of excitement, originality and general good fortune. This influence indicates a modern and future-orientated partnership; you work well together in an emotional climate that fosters a healthy sense of freedom and equality where your individual philosophies of life, without necessarily being the same, are able to find common ground. You are likely to develop interest in, or become involved with, new realms of thought relating to religion, science, philosophy, the occult, metaphysics, astrology or other mind-expanding pursuits. You encourage each other's personal development and it is likely that you take on scientific, group or humanitarian work, where you are likely to introduce new original methods of working to improve conditions. This could be in hospitals, religious institutions, schools, or other cultural institutions. Alternatively, you may become involved in humanitarian causes or in social, political, or religious reforms. Your ideas are combined with social broad-mindedness and your home is likely to be the centre of operations for organizational or group activities.

Success, financial gain and general good fortune are indicated for mutual involvement in business enterprises related to higher education, scientific research, modern electronic technology, law, travel, religion or philosophy. Potentially, you are able to further each other's higher or better interests and this interaction will foster the development of innovative and unusual methods of working. You tend to attract 'luck' and unexpected opportunities, or windfalls may feature. Jeams's contribution is to inspire

you with unusual scientific, intuitive, and inventive insights. In response, you help Jeams to express a greater degree of creativity and expand his horizons within organizations, groups or other social orders.

*Susan's Jupiter Conjunct Jeams's Asc

This is an excellent aspect, Susan, and is very helpful to your relationship with Jeams. It can be regarded as a very positive interaction, for it brings an immediate sense of trust and goodwill that is felt by you both. You very quickly become natural friends; you feel good together and enjoy each other's company. You encourage Jeams's efforts at personal and spiritual self-improvement and this helps him adopt a more effective self-image, and a more socially acceptable means of personal self-expression. Jeams responds by giving energy and active support to your efforts to aid or improve your own social order. Following upon this, he finds a way for you to jointly express yourselves, and this opens up your horizons considerably.

*Susan's Jupiter Trine Jeams's M.C.

This is a nice aspect, Susan, suggesting that you will be working on joint goals and objectives together, probably of a professional nature. It also highly favours cultural, social, domestic and family affairs; showing that you will cooperate well together in these areas. Your cultural, educational and social background will help Jeams in his professional and social life - Thus, enabling him to advance career and social status. Jeams contributes by supplying a stable home and by using his status and influence to expand joint professional, religious, cultural, political or educational goals.

=====

JEAMS'S INFLUENCE ON SUSAN'S CAPACITY FOR ORGANIZATION, WORK, SELF-DISCIPLINE AND SERIOUS ISSUES

=====

*Susan's Saturn Trine Jeams's Moon

This, Susan, is certainly a helpful aspect for your relationship with Jeams because it implies serious emotional commitment and a responsible approach to domestic issues. In a romantic relationship, this is an excellent pointer to a long-term and mature relationship - possibly for life.

*Susan's Saturn Square Jeams's Mercury

This is a very difficult aspect, Susan, and it could indicate severe problems in your relationship with Jeams. The main factor is an inability to communicate in a positive and open manner. Any serious discussions may involve so much mental effort that it becomes a painful mutual experience. This is because your viewpoints are different and the inevitable disagreements have a negative and dulling effect on the relationship. Eventually, Jeams's may come to view you as boring, depressing, conservative, uninspiring, unresponsive, pessimistic and restricted. From your point of view, Jeams can be argumentative, opinionated and lack mental discipline.

*Susan's Saturn Trine Jeams's Venus

This aspect, Susan, does not, of itself, indicate romantic attraction. However, if such a relationship does develop it will be responsible, reliable and mature in structure. It tends to cement a friendship by creating a secure, stable and enduring bond between couples. As a partner, you will be loyal, faithful, attentive and consistent and in response, Jeams provides you with companionship, affection, emotional comfort and a

good social life.

JEAMS'S INFLUENCE ON SUSAN'S ORIGINAL SELF-EXPRESSION, SEARCH FOR NEW EXPERIENCE, AND SENSE OF FREEDOM

*Susan's Uranus Square Jeams's Mercury

From an intellectual point of view, Jeams finds you interesting, original and inspiring. However, in a close long-term relationship, serious problems could develop because of differing tastes, views and opinions. Eventually, Jeams may become nervous or ill at ease in your company and regard you as unreliable, unstable and eccentric. Conversely, you may view him as uninteresting, mentally dull and lacking imagination.

*Susan's Uranus Square Jeams's Mars

The energies involved in this planetary grouping, Susan, are not conducive to long-term close relationships. Your association with Jeams has an inherent instability and potential for explosive confrontation. Sudden unexpected changes and reversals of fortune may undermine your friendship. Jeams may come to regard you as eccentric, unreliable, changeable and emotionally erratic, and he may feel ill at ease or on-edge in your company. Conversely, you may view him as impulsive, demanding and argumentative. If a mature relationship does unfold then it will develop in an original or unusual way and as a couple, you may possess a strong sense of rebellion, social non-conformity or defiance. Mutual interests may include astrology, metaphysics, New Age philosophy, hi-tech science, or social reform.

JEAMS'S INFLUENCE ON SUSAN'S IMAGINATIVE, SPIRITUAL AND INTUITIVE FACULTIES

*Susan's Neptune Square Jeams's Sun

This pairing of planets, Susan, suggests a spiritual or psychic affinity to Jeams and a possible past-life karmic connection. Jeams may feel that you bring an uplifting, refining, even spiritual quality into his life. There may be a common interest in the arts, religion or the occult. Unfortunately, however, this aspect is regarded as difficult for stable relationships - confusion, subtle deception and general misunderstandings are likely. Eventually, Jeams may find you difficult to understand, regarding you as vague, impractical, confused and mysterious, and having an escapist head-in-the-clouds attitude to life. When he does make an effort to understand your position you can be evasive and deceptive, making it impossible for him to adjust to your temperamental needs. This can drain his energy and effectively block mutual co-operation at the objective level, making frank and open discussion very difficult. From your perspective Jeams can be dictatorial, bossy, unspiritual and egocentric, lacking imagination and romantic sensitivity. Drugs or obsessive drinking may be a feature.

*Susan's Neptune Trine Jeams's Mars

This mutual aspect, Susan, suggests that as a couple you will work together to fulfil an ideal that will involve some form of self-improvement discipline such as yoga or Tai chi. There may be a mutual interest in art, drama, spiritual study, metaphysics or occult subjects. You can help Jeams to understand the importance of reflection, meditation, creative fantasy and other artistic pursuits. Jeams, on the other hand, will snap you out

of your daydreaming and get you moving in a positive direction.

JEAMS'S INFLUENCE ON SUSAN'S INNER DESIRES, SOCIAL POWER, AND THE ABILITY FOR SOCIAL AND SPIRITUAL GROWTH

*Susan's Pluto Sextile Jeams's Sun

A dynamic link of personalities is indicated by this contact. As a couple, Susan, you can sweep away all obstacles to your progress and well-being, even in the area of society in which you operate. Great wealth and/or power can be attained through this mutually regenerative relationship. In any event, you will both be the better for knowing one another. Jeams is particularly impressed by your power of presence, your sexuality and your ability to transform your environment. Jeams contributes by shining his rays of light upon your innermost, submerged feelings, for you seem to know exactly how to bring them to the surface. As a couple you feel that your combined powers of personality can deal with any situation - change the world even. It is probable that you become involved in a joint spiritual, metaphysical, political or scientific endeavour that involves the blending of your mutual powers.

JEAMS'S INFLUENCE ON SUSAN'S TEMPERAMENT, SELF-IMAGE AND GENERAL CHARACTER

*Susan's Asc Opposition Jeams's Moon

This aspect, Susan, is regarded as excellent for romantic relationships. A strong emotional affinity gives a mutual sense of completeness and fulfilment. Marriage may be indicated.

*Susan's Asc Sextile Jeams's Venus

This aspect, Susan, is regarded as one of the strongest indicators for romance and marriage. It suggests deep emotional involvement, sexual attraction and strong romantic compatibility. Jeams feels at ease in your presence, genuinely enjoys your company and has no inhibitions when revealing his emotions or affection for you. It indicates that the two of you are extremely complimentary in many respects and as a couple, you are a whole that is stronger than the two parts. You can co-operate well and make up for what the other lacks.

JEAMS'S INFLUENCE ON SUSAN'S CAREER & SOCIAL STATUS

*Susan's M.C. Square Jeams's Sun

This placing, Susan, suggests a conflict between your professional or social responsibilities and Jeams's need for romance, creative self-expression and cultural advancement. However, in time, you both become aware of each other's status and progress in the world. If the relationship matures then Jeams is likely to become the active force in the partnership and make you feel good about what you are doing or not doing professionally or publicly.

*Susan's M.C. Sextile Jeams's Moon

This aspect, Susan, suggests a high level of mutual co-operation in domestic and

professional interests with little conflict between home and work issues. Together you should achieve social, domestic and financial advancement. Jeams is likely to provide the emotional, domestic or financial support whereas you have the professional expertise or business ability.
